Blessed are the merciful for they will receive mercy.

The Nigerian Diplomat

The Nigerian Diplomat is a blog, which began in June 2016 with the vision of having the most reliable platform for presenting the best of Nigeria in every aspect of life to the world – positive diplomacy, impactful foreign relations; value inspired role models; good music, humour, art and culture, relevant history, etc. based on good and true reports/facts.

Green Lines

1. ASA: The Place To Be

Verse 1

*There's a place I long to be
where the air's wide and free
It's a little haven just for me.
I can let my hair down and be me
Just a smile for a start
and it only takes a spark
to begin a fire in your heart
wouldn't you agree?*

[CHORUS]

*I believe that I can be
only the best in whatever I do
guaranteed to take the lead
only the best in whatever I do
guaranteed yes indeed
to be the best in whatever I do*

2. TY Bello: The Dance

*I am nothing without you
I wouldn't even have a clue who I am and what's my mission
What is life without your vision eh eh
I won't know this I would stumble in the darkness
Whats the point, what's the point of just living and my spirits not in
tune
with you so I close my eyes and lay on the floor
checked it and I dance then we dance Baba Baba Ba Ba we dance*
